- 1) Which choice has a 8 with the value of 8,000 or 8 thousands?  
A. 9,816                      B. 3,867                      C. 8,793                      D. 7,823
- 2) Which choice has a 8 with the value of 80,000 or 8 ten thousands?  
A. 83,164                      B. 36,548                      C. 57,238                      D. 54,218
- 3) Which choice has a 2 with the value of 200,000 or 2 hundred thousands?  
A. 245,698                      B. 827,145                      C. 745,283                      D. 982,463
- 4) Which choice has a 2 with the value of 200 or 2 hundreds?  
A. 632                              B. 582                              C. 125                              D. 291
- 5) Which choice has a 8 with the value of 8,000 or 8 thousands?  
A. 7,481                              B. 8,971                              C. 5,814                              D. 7,248
- 6) Which choice has a 7 with the value of 70,000 or 7 ten thousands?  
A. 75,832                              B. 41,597                              C. 16,798                              D. 47,925
- 7) Which choice has a 9 with the value of 900,000 or 9 hundred thousands?  
A. 175,986                              B. 965,781                              C. 352,894                              D. 729,563
- 8) Which choice has a 3 with the value of 300 or 3 hundreds?  
A. 731                                      B. 937                                      C. 386                                      D. 953
- 9) Which choice has a 1 with the value of 1,000 or 1 thousand?  
A. 1,269                                      B. 2,718                                      C. 9,581                                      D. 4,371
- 10) Which choice has a 2 with the value of 20,000 or 2 ten thousands?  
A. 92,631                                      B. 46,512                                      C. 42,635                                      D. 25,763
- 11) Which choice has a 6 with the value of 600,000 or 6 hundred thousands?  
A. 829,546                                      B. 529,168                                      C. 186,794                                      D. 623,851
- 12) Which choice has a 5 with the value of 500 or 5 hundreds?  
A. 165    B. 542    C. 852    D. 457
